wrecan[5] 'avenge'	wricð	wræc	wrǣcon	wrecen
wrītan[1] 'write'	wrītt	wrāt	writon	writen

NB:

- I have chosen to represent one spelling per form, but often multiple exist;
- The translations are similarly reductionist;
- The list contains numerous reconstructed forms, especially in the 2nd, 3rd, and 5th columns;
- Tip: use the second to fifth columns during your readings to find a verb's infinitive when you can't figure out what verb you are dealing with.
